

Interested in Taking your Son / Daughter's Soccer Skills to the Next Level?

What is NVSC?

The *Northern Valley Soccer Club* was formed by soccer administrators and coaches in Old Tappan, Norwood, Northvale and Harrington Park. The coaches and administrators wanted to create competitive teams chosen by open tryouts for boys and girls at the U8 through U14 playing levels from the four Northern Valley towns and nearby communities. The goal of the club is to develop the skills of the children as well as establish a feeder soccer program to the Northern Valley Old Tappan High School, although players in all local communities are welcome to join.

What is the NVSC Developmental Program?

The NVSC Developmental Program is an open-enrollment format for boys & girls in grades K-2 interested in specific skill development (dribbling, turning, and ball control, introduction to passing, and shooting), fun, teamwork, & respect!! The NVSC Developmental Program is directed by local coaches who are also physical education teachers to combine soccer learning with physical concepts. Speed Soccer System's (www.SpeedSoccerSystem.com) Finding Feet and Expanding Skills curriculum is implemented for all drills and activities, providing a technically sound and progressive program that is FUN!
